VILLAGE HALL OF HARRISTOWN

CLOSED SESSION

Entered closed session at 7:12 pm to discuss 2 easement offers. Trustee Les Jenkins, Clerk Allen and Mayor Deverell was present in the office; Trustees Cody Endrizzi, Kevin Vessels, Teresa Acree, Larry Ditty, Engineer Ron Legner, and Attorney Drew Weatherford were remotely present. Trustee Becky Nave was absent.

Milnes Wittley trust, 1.77 acres – asked \$11209.50 for temporary permanent easement. Attorney Weatherford contacted their attorney and they counter offered at \$8802.30. We countered offered at \$5280. Attorney Weatherford said we can counter offer again. They know we need this so they may not go down. Mayor Deverell suggested perhaps offering \$7500? Trustee Jenkins said to tell them \$8,000 and we would write them a check right now. This would not qualify for the loan.

The 2nd easement, we would be using Chastians negotiator. Will start at the lowest amount. Mayor asked trustees what should we tell Curtis Curt (Chastians) to start at. This is a larger parcel than previous easement. Trustee Acree suggested starting at \$4800.

Exited closed session at 7:33 pm
