

The Village of Harristown has been awarded \$150,000 through the Open Space Lands Acquisition and Development (OSLAD) grant program administered by the Illinois Department of Natural Resources to create the first Harristown Community Park. The OSLAD grant is a state-funded program providing up to 50% of the project costs for public park and recreation projects.

The Village has also been awarded a \$10,000 grant from Norfolk & Sothorn for our community park project.

With the funding from these two grants, the Village can begin phase 1 of the proposed park project.

Phase 1 will include

- ADA inclusive playground
- Half size basketball court,
- Pickleball court
- Parking
- Electrical for courts.

Phase 2 will include

- Picnic/shade pavilion,
- Walking path
- Sitting area
- Related site work and landscaping.

If you would like to be a part of the design process and planning, please contact the Village Office at 217-963-2980 or harristownvillage01@gmail.com.

 **Golf Cart Permit Renewal Reminder** 
 All golf carts and neighborhood vehicles are required to have a permit in the Village. The 2024 permit must be fixed on your vehicle after 12/31/23, or when you begin to drive your vehicle in 2024.
 If you are new to getting a permit, you will need to have your golf cart inspected, show proof of insurance, and pay the \$25 fee. Permits must be renewed every year and updated insurance info needs to be on file with the Village office. Please call the office at 217-963-2980 with any questions.
